Spring 2016

Greetings to all our Friends!

Here's a brief update from us. Thanks for taking time out of your busy lives to read it!

## FUNDRAISING

The Central Rockers of Ages Choirs organized a successful garage sale recently. We raised over \$900.00 with most customers being donees! However, we have lots of lovely things left and the Hub has kindly given us a room to store them for our next sale. The Rockers also gave a short concert to a small but appreciative crowd.

## PERFORMANCES

On Sunday, the North Canterbury Rockers sang in a combined concert at the Rangiora Town Hall and brought the house down! Look out for our next big community concert. (See the Events Guide for details)

Another exciting development is the West African Drummers. A performance group has formed from the class who are in great demand. Recent performances have taken them to Timaru and Waiheke Island and they are they are booked to play at the Autumn Arena in Oamaru. There have been many positive reviews of rousing and energetic performances.

The group is going from strength to strength and continue to liven up the Phillipstown Hub as they drum late into the night on Thursday evenings. They are looking to do more gigs throughout the winter and hope to play at festivals and events where ever possible.

## OUR BIG IDEAS

Our Kodaly Level One course went ahead in January with the second semester in July. We are bringing one of the tutors back for another taster in May.

## OUR HOME

We have settled well into the Phillipstown Hub and are able to make a solid contribution towards creating a strong community there, supporting local leaders and Viviana, who works so hard to bring about the vision of the hub. We painted the foyer last holidays and put up a lovely tapa cloth. We've been donated a photocopier and are now well set up.

Thanks again for continuing to support The Muse by being a Friend.

Best wishes,  
Nikki Berry
