Spring 2016

Greetings to all our Friends!

Just a quick note to say hello to our Friends and keep you up to date. We appreciate your support.

We now have our rooms well set up and they are available for use when Muse activities aren't on. Hire rates are \$15.00 an hour including G.S.T. or \$70.00 a day (until 5.00pm). For non-profit groups the rate is \$10.00 an hour or \$50.00 per day and for completely free events without funding we can offer more support. Other rooms at the Hub are also available.

Bookings for our room go through me (Nikki) at the moment, who will pass your booking on to Nadia.

We have plans to paint the front foyer and would love a couple of volunteers to help do this. It's a relatively small job compared to the room.

We were successful in our funding applications to the Rata Trust and the City Council for help towards our overheads and also from the City Council for our Keepsake Singers. Unfortunately, we haven't secured funding for our Rockers of Ages Choirs, so are very open to ideas if you have any! Our North Canterbury Rockers has doubled in size since moving to Rangiora!

The Rockers sang at the opening to the Burwood Hospital, and are gaining a reputation for being very entertaining, as well as a great community to be part of.

I'm pleased to say that our West African Drumming group is becoming well established. Maganui is doing a great job of leading it, with help from Robert Fugah who leads one session in each series. It was through Robert that I met Bongwiwe, who will be in Christchurch to lead a workshop on South African singing. See Events Guide for details.

Our Kodaly taster in July was a great success. We are determined to start the Level One training in the last week of January. We'll be bringing a Hungarian Choral master over for this training and plan to also offer some choral/conducting workshops alongside the Level One.

That's it from me. I hope you all have a lovely spring and summer! Hopefully we'll see some of you at our summer concert.

Best wishes,
Nikki Berry
